Chicken N Pickle Green Cup Fundraiser

Go Further Community, Warm weather is right around the corner, and I think I speak for everyone when I say I'm ready for it! Unfortunately, our February Executive Coaching needed rescheduling due to a whole lot of snow. A little weather has not extinguished our excitement for this event, I can tell you this is going to be the largest Executive Coaching Workshop Go Further Foundation has ever had. We can't wait for our group and the young professionals over at Netsmart to come together on March 24th to learn more about how to build and leverage a network to tackle adversity! Speaking of Executive Coaching Workshops, our April speaker is a world class Entrepreneur who will be discussing Risk Taking with our group. A fitting topic for the way we want to deliver this workshop to the Go Further Community. We're going to try something we've never tried before! Stay tuned!

The money raised from these two packages goes directly to ensuring our programs are delivered

free of charge for our members and allows us to continue growing this community of young professionals committed to personal and professional development.
